### Notes

All programs remaining in this list have mouse support.

Programs shown as "Graphics" run in DOS full screen mode only. Before buying these for Windows XP, Vista or Windows 7, please check that your system will run the free samples available on our web site. This will probably require the use of DOSBox or something similar

All prices are inclusive of postage and packing (UK or overseas). We are not registered for VAT.

Programs shown as "Windows T C" are not DOS programs, and will run with Windows XP or later.
